

How to get Credit for Attending VP Lecture

To get CMEs/CEs, participants will need to create a CloudCME account, instructions attached and below.

PLEASE NOTE: Evaluations can also be completed by accessing CloudCME via desktop, laptop, iPad or tablet by clicking this link [LRH CloudCME](#). **Evaluations MUST be completed within 30 days to be eligible to receive CME credit.**

A couple of VERY IMPORTANT and helpful things to be aware of:

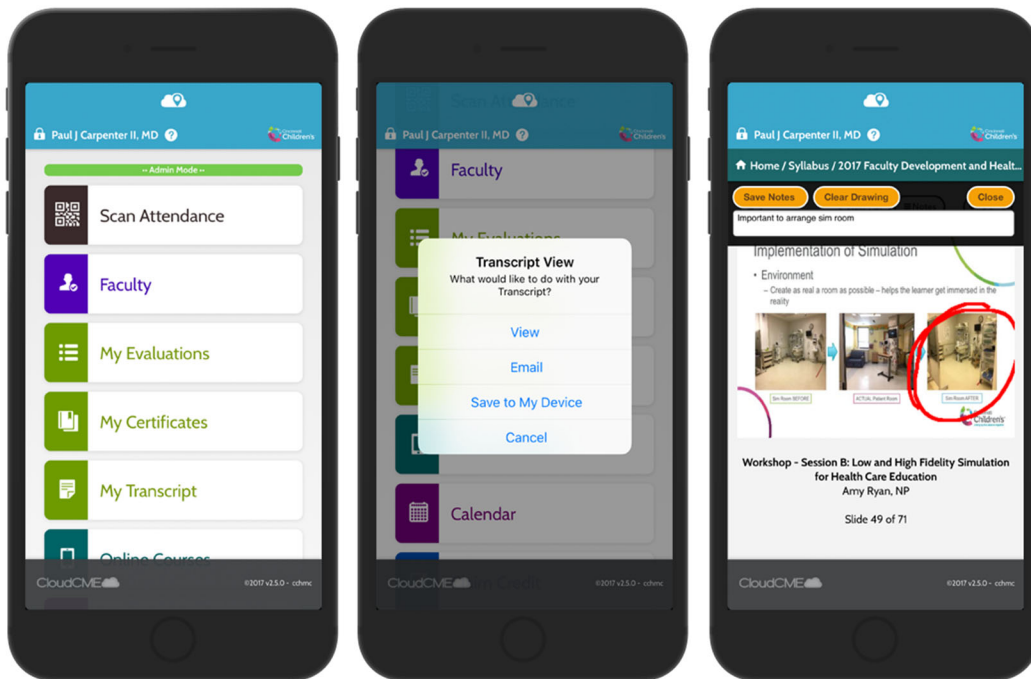

- Attendees **MUST** create an account **BEFORE** they are able to record attendance and complete an evaluation. **See below for information and screenshot if accessing the website!**
- When using the QR code, please make sure the attendees are scanning it **WITHIN** the CloudCME app. It **WILL NOT** work if they are just trying to scan it with their phone camera.

To Create a CloudCME account and log in via website ([LRH CloudCME](#)):

- Once on the portal, click on “Sign In” to Create an Account (see the below screenshot). Please enter the information requested and follow the instructions to create an account.

The screenshot shows the Lakeland Regional Health CloudCME website. At the top, there is a navigation bar with links: Sign In, Home, Live Courses, Online Courses, Grand Rounds/RSS, State Required CME, Planners, About Us, and Help. A search icon is on the right. Below the navigation bar, the page is split into two main sections. On the left, under the heading "Enter your email and password to login:", there are input fields for "Email" and "Password", and a "Login >" button. On the right, under the heading "New to CloudCME? Create an Account:", there is a "Create New Account >" button. A red arrow points to this button. At the bottom center, there is a link "Forgot Your Password?". At the bottom left, a note says "Please sign in with your email address and password." In the top right corner, there is a link "<< Back to MyLRH".

The CloudCME® mobile app provides quick access to most of the CloudCME® functions. You only need to download the app and login once, and then you will be able to view content, perform CE tasks, see listings of activities or check-in to activities from your device. When an event is complete, Evaluation forms and Claim Credit allow you to finalize the CE process.

Download the CloudCME App

Download the app for free from the app store and login using their organizational code (which is the prefix for your CloudCME® portal url, **xxxxxx**.cloud-cme.com) and then enter your CloudCME® login name and password. Both institutional Single Sign-On and non-Single Sign-On CloudCME® account types are supported.

Apple iOS

Google Android

Via CloudCME® Mobile App

Step 1: Download App if you have not already

Step 2: Open the app, use organization code {Enter your organization's code - mylrh}

Step 3: Click the **Login or Create Account** button.

Step 3: Login using your email address and password.

**** To access via website:** <https://mylrh.cloud-cme.com>

The features that are available in the CloudCME® Mobile App are set by your institution. Your CloudCME® mobile app features may include:

My Profile – allows you to create and manage your account in CloudCME®.

My Evaluations -allows you to complete activity evaluations.

My Certificates – allows you to view, print or email certificates.

My Transcript – allows you to view, print or email your transcript.

Online Courses – allows you to access online activities and complete them.

Syllabus – allows you to view activity syllabi, view up-loaded presentations and take notes on the displayed presentations.

Calendar – allows you to view upcoming CE activities.

Scan Attendance – allows you to record your attendance, when applicable.

Audience Response - allows you to participate in audience response polls, when applicable.

Faculty – if you serve as faculty to CE activities, this allows you to access and complete your faculty assigned tasks including disclosure of financial relationships.

The mobile app menu may vary depending on your institution's policies.
